

Social Action Minutes
February 14, 2012

Members attending: Pat Dessner, Margaret Marie, Sara Morrison, Jodi Reed & Phyllis Hofer.

Culture Exchange: Current strategic planning by the parish council includes two cultural exchanges with the Hispanic community. S/A committee already hosted one such event, making paper flowers in December, just prior to the Lady of Guadalupe celebration. S/A will try to facilitate another event on Palm Sunday. The project would entail having Hispanic parishioners instruct on how to make crosses from palms. This would need to be done on Palm Sunday itself, as the palms are fresh that day. Phyllis will contact Sonia Ponce for her assistance in asking Hispanic members to participate and demonstrate the art.

Heritage Agency on Aging: Pat reported that there is an upcoming Lunch-n-Learn program featuring the Heritage Agency on Aging. This agency provides a variety of services to anyone over the age of 50. This is something that our committee could promote. Pat will work on promotional items for the bulletin and/or the S/A website.

Next meeting date is March 6 @ 11:30 am @ Napoli's Restaurant.
